Close, but no cigar. But I was crazy enough to buy one because Ray was buying one! We were trying to get a good deal, like a BOGO, but he was too impatient and went out and bought one without me.

Ok thanks.

I don't know how soon we can set new hearing dates for DB, but please give Carolyn the specifics dates you will be out.

I'm guessing you weren't crazy enough to buy a VW camper for an RV,

Douglas

Oh my gosh, I have been so busy buying an RV and getting it ready for a trip, that I forgot to ask for leave. I am planning to head to Newport, Oregon in a few weeks. The weekend of the 18<sup>th</sup>. Coming home on the 28<sup>th</sup>. Back to work on March 1.

I also have another shorter trip coming up at the end of March with Ray and Theresa Faliskie. He also bought a new RV.

I have Dewey Burdock in my sight and check with Valois regularly.
